

# Information Session Bachelor Thesis

Felix Strebel

28. November 2023

I could apply what I have learned and  
it opened up new perspectives

(Patrick Jonke)

The company invited me to implement the concept  
we have developed during the project Work and  
later on in my Thesis

(Michael Simonet)

I didn't expect to find a job through the  
student project

(Nicolas Joye)

I owe a large part of my professional career to the  
Practical Project and Bachelor Thesis.

(Fabian Wyss)

# Agenda

- Framework
- Submission of self-acquired topic
- Tools and templates
- Tips and hints
- Q&A-Session

# Framework

- Setting
- Participants
- Timetable
- Topic submission and allocation of topics and supervisors
- Working on the thesis
- Submission
- Assessment
- Costs and expenses

# Setting

Objective and purpose:

- Application of what has been learned
- Strengthening of Specialist Competencies
- Strengthening of Social Competencies
- Strengthening of Methodological Skills
- Strengthening of Personal Competencies

Admission: a minimum of 140 ECTS

Individualwork

Language

Requirements of the topic

Confidentiality

## Topic submission form (2/2)

**If submitted by student(s):**

**Name(s) of the student(s):**

**Topic approved by:** (Initial assessment by)

**Company is employer** (minimum 50% basis): ☐yes ☐no

Close personal relationship with the Client (family etc.) ☐yes ☐no

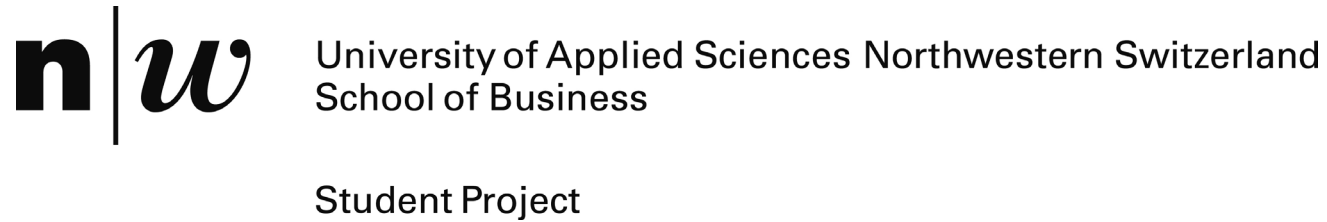

**Optional:** Lecturer of choice:

Lecturer of choice agreed on the supervision: ☐yes

# Framework

- Setting
- Participants
- Timetable
- Topic submission and allocation of topics and supervisors
- **Working on the thesis**
- Submission
- Assessment
- Costs and expenses

# Working on the thesis - For outward communication

# Working on the thesis - Surveys

Principle: No anonymous surveys without naming the client.

The survey can only be sent after the client and the lecturer have agreed.

Internal surveys: Dispatch centrally via email in the guidelines.

# Tips and hints

# Tips and hints

## New ideas and different ways of thinking

Michael Baumberger, Basler Kantonalbank

The inspiration, has a different, more liberated character than that of agencies.

Rafael Weber, SwissShrimps

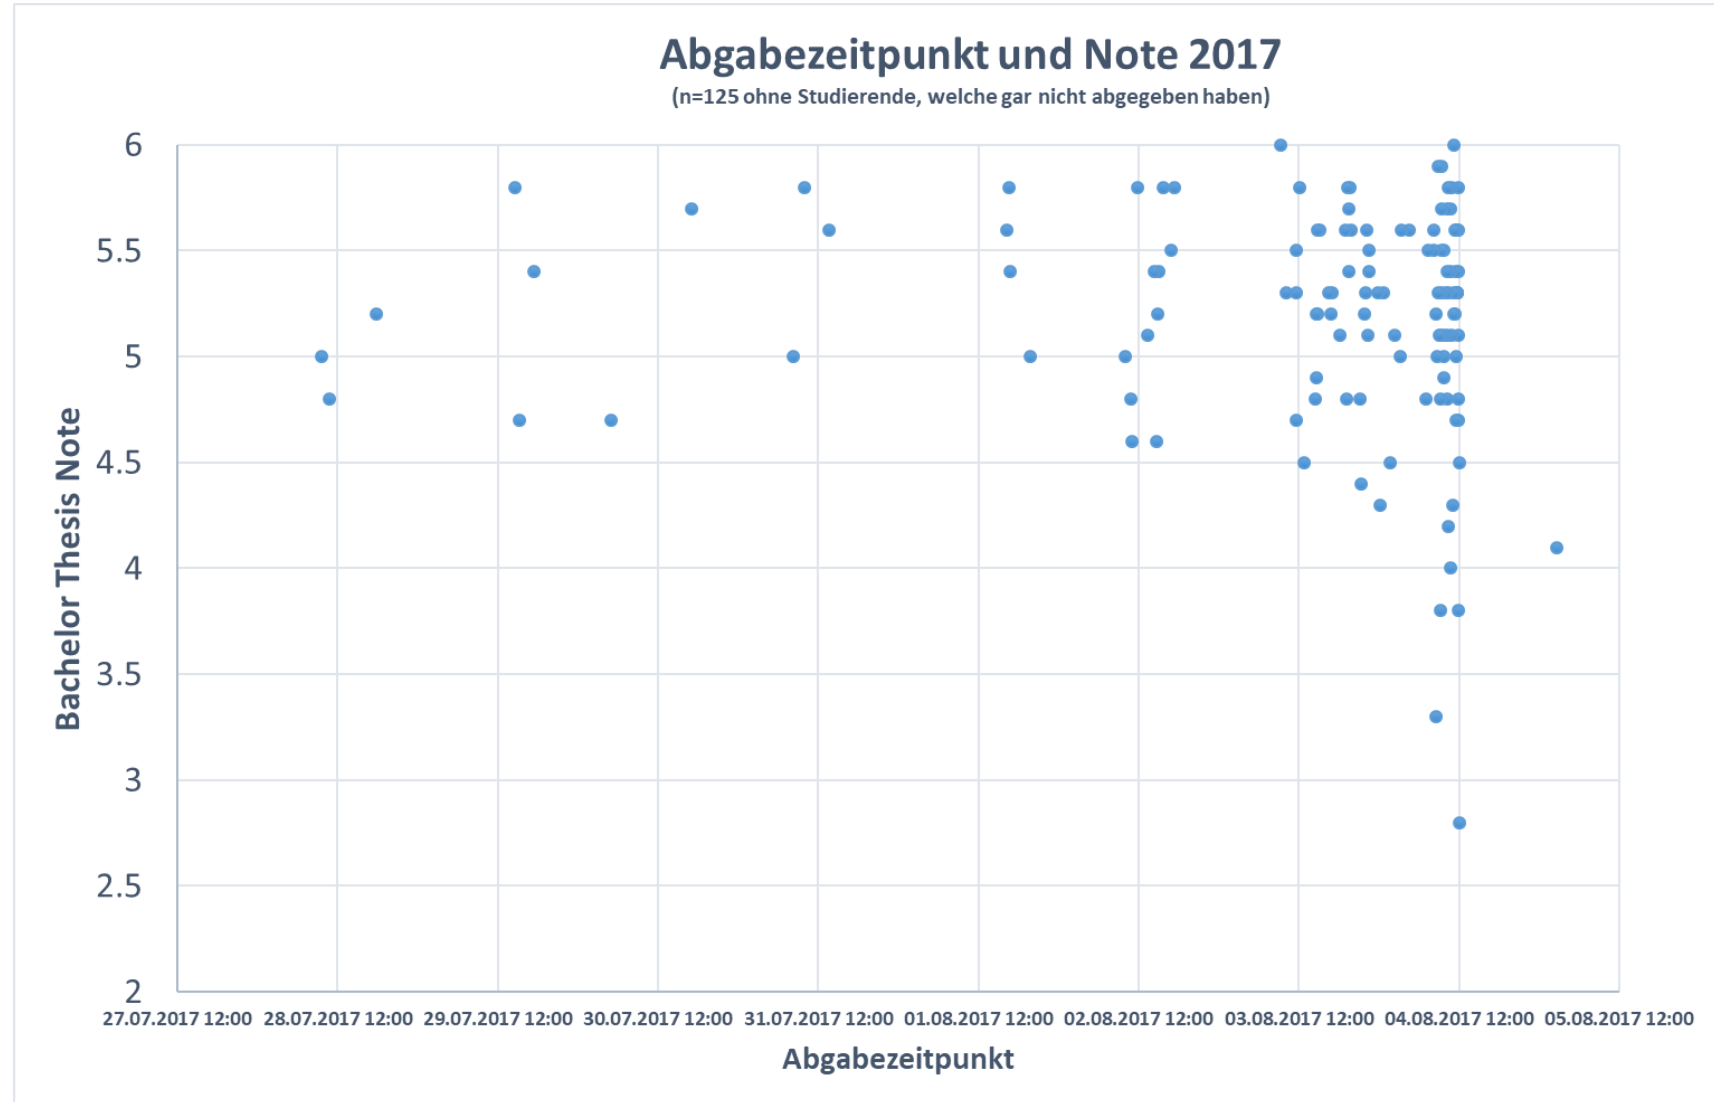

The student projects are a great opportunity for a specific task that is difficult to work on in day-to-day operations.

Yvan Grepper, GETAG Entsorgungs-Technik AG

The student was very competent and was more than able to complete the assignment.

Sven Mumenthaler, Swiss Innovation Pool AG
